GENEROSITY BULLETIN

We Are Here For You

KNEEL IN SOLIDARITY

Recently, our associates came together to kneel in solidarity with those fighting against racial injustice. In the moment of reflection, we confirmed our promise to children everywhere to do whatever is within our power to give them a bright, safe, and healthy future.

WE ARE HERE FOR YOU

Through all this change, one thing remains true: Nemours is here for your family. COVID-19 has put a lot of things on hold, but our ability to offer kids medical care in a safe environment isn't one of them. While things may feel a little different at our locations, the care and attention your child receives will be the same.

VIRTUAL RADIOTHON

Jessica and Delaney are pictured above sharing their story at the 2019 Help Our Kids Radiothon hosted by Forever Media. This year, the girls are back as our patient ambassadors for the virtual event on Oct. 7-8. Stay tuned for more information coming soon. In the meantime, check out other opportunities to support Nemours.

PIPER'S HAT FULL OF LOVE

Armed with an acoustic guitar and a gold-sparkled baseball cap that served as a collection bucket, Piper positioned herself at the end of the driveway leading to her Elkton-area home and kicked off a busker-fashion fundraiser to generate money to purchase toys for young patients at Nemours. In just a few weeks, Piper's charity campaign has raised nearly \$15,000 for the children in Child Life at Nemours.

Piper is pictured left relaxing on a bed at Nemours during one of her many treatments for "chronic issues with her left foot." To the right, Piper is pictured with her guitar and her mother and father, Stacey and Jason, and her brother, Luke.

RECENT GENEROSITY BRINGS BIG IMPACT

Thank you to everyone who generously donated protective equipment and cleaning supplies, much-needed food, and most especially, time and care. We appreciate all those that answered the call and have stayed by our side when we needed it the most.

We are so grateful for recent donors, like Bailey Blue Clothing, Christy Dawn, Posh Peacock Designs (pictured above), and Sant M who are helping to keep our associates safe by donating essential Personal Protective Equipment.

Min Santandrea, founder of SantM wants to help Nemours by donating 5,000 washable, water-resistant masks, but they need your help.

Everyone that donates 10 masks for \$50 will receive a \$25 SantM Gift Certificate (no expiration date and transferable) as a BIG thank you.

The mission of SantM is to provide functional luxury shoes - giving modern women a newfound sense of freedom and ease in their day-to-day lives.

Pictured above is Crooked Hammock preparing meal donations for Nemours as part of their beINVOLVED initiative. We are so thankful for their partnership and the many others who have supported us with food donations. Some of our recent donors include La Colombe, Scission Espresso and Frito Lay.

There are many ways to support Nemours. For more information about our ongoing needs, please visit our COVID-19 website.

A Special Donor Note

I am so happy I am able to help - I was a Nemours patient of Dr. Carlos Rose in the Rheumatology Department there for eight years and the Orthopedics Department via the incidental breaks that I accumulated as a kid, so I know firsthand how wonderful the entire staff is! Thank you for all of your hard work!

Rebecca Kolpak, Donor
Posh Peacock Designs

UPCOMING EVENTS

DR. FIELDS SHARES INSPIRING STORY TO HELP KIDS

June-August

It is what we do when confronted with bad news that defines who we are and what we will be from that moment forward. In 2007, Dr. Fields was diagnosed with leukemia and was told to give up his passion of running. Since 2009, he has completed more than 100 marathons. Dr. Fields' story is an example of why a diagnosis is not the end of life, it is only the beginning. To read more about his journey, order his book, *The Long Road Back to Boston*. Dr. Fields has generously chosen to donate all the royalties from this book, from June through August, to support the Nemours Center for Cancer and Blood Disorders (NCCBD).

HELP PAT'S MAKE AN IMPACT

Month of June

Pat's Pizza wants to help Nemours by supporting the Community Response Fund which helps address needs that our patients, families, and associates are facing during this time. For the month of June, Pat's will donate \$1 for every large pizza order. Pat's has a goal of \$1,500, so please help by placing your order today!

SUBARU SHARE THE LOVE

Stop by Concordville Subaru

When you share the love, you change lives. Stop by Concordville Subaru and purchase or lease a new Subaru over select holiday weekends throughout the year and declare Nemours as your charity to have Subaru donate \$250 to the Nemours Center for Cancer and Blood Disorders. Have you already bought or leased a new Subaru during the Share the Love Event? You can still designate your donation to Nemours by clicking [HERE](#).

YOUNG HEROES CAR PARADE

September 26

Jump in your car and head to Nemours on September 26 to join our parade around the campus. Take a moment to honk your horns for the little ones in the hospital and smile to all the superheroes that will be lining the route. The event might have a different look and feel than last year, but the result will be the same. We will join together to raise funds for research and patient services at the Nemours Center for Cancer and Blood Disorders.

HELP OUR HEROES

DONATE

When the world shut down, our health care heroes stepped up. They have trained for moments like these, and Nemours is proud to continue providing exceptional care in these challenging times. But we can't do it without you.

We are stronger together. As a children's health system, everything we do is driven by empathy and integrity, not cost. Right now, we face new challenges to keep our associates and families safe and healthy, like investing in COVID-19 safety precautions and preparing our hospitals to care for more patients.

Ensuring this quality of care and safety comes at a significant price. We have set up the Community Response Fund to help address these needs. Your support is vital. Please make a gift today.

Your generosity offers hope to our children, and also to the amazing caregivers working tirelessly to look after them.

We are grateful that Nemours doesn't have to stand alone in this crisis. Thank you for answering the call and staying by our side when we need you the most.
